

# Cell Your Soul

Sure, you want the latest and greatest mobile phone, but not at the expense of functionality. That's why we've done all the legwork in finding a new unit for you, based on the type of guy you are and the features and options you've got to have in order to stay connected. | **BY JOSHUA GOLDMAN**

**THE PEOPLE PERSON**  
**T-Mobile Sidekick 3**

Let your thumbs do the talking. The Sidekick 3's comfortable QWERTY keypad is perfect for IM, text, and e-mail addicts. Plus the thinner, sexier package is designed to help you catch some looks.
